
Your talents hold great **potential**.

Make a difference using what
makes you **exceptional**.

Your talents and strengths
are **quick**, **powerful**, **dynamic**
and **transformative**.

We are always **stronger** when
we have our **strengths** and
successes clearly in mind.

I saw this theme of yours in action:

This is a strength you have that helps our team:

To achieve **excellence**, put your CliftonStrengths® to work.

I saw this theme of yours in action:

This is a strength you have that helps our team:

It is through your talents that you tap into your greatest potential for **success**.

I saw this theme of yours in action:

This is a strength you have that helps our team:

It is through your talents that you tap into your greatest potential for **success**.

I saw this theme of yours in action:

This is a strength you have that helps our team:

To achieve **excellence**, put your CliftonStrengths® to work.
